

Avoid using `\left(... \right)`

$$\left\{ \left[\left(\sum_{a,b \in A^2} p(a,b) \ln \frac{1}{p(a|b)} \right) \right] \right\}$$

Instead, use `\bigl`, `\Bigl`, `\biggl`, `\Biggl` to control the size

$$\left\{ \left[\left(\sum_{a,b \in A^2} p(a,b) \ln \frac{1}{p(a|b)} \right) \right] \right\}$$
